

Q10 Cell Fit 100 mg

High-quality food supplement
with Coenzyme Q10, vitamin C and vitamin E

Good to know:

High quality food supplement for more power and performance through vital substances. Coenzyme Q10 is an important component of our daily diet. The additional consumption of Coenzyme Q10 is especially recommended in old age and in cases of an unbalanced diet. Q10 Cell Fit enhances the daily diet with nutrients that are needed for the body's overall health maintenance and for the support of its defence mechanisms. The vitamins C and E and selenium contribute towards protecting the cells against free radicals or oxidative stress.

Each small bottle contains 100 mg of the natural coenzyme Q10, 200 mg of L-Carnitine, 500 mg of pure royal jelly, 55 µg of selenium from natural selenium yeast, 200 mg of vitamin C and 50 I.U. (=33.5 mg) of vitamin E.

	per bottle (=daily dose)	of the daily intake according to NRV*	pro 100 g
Coenzyme Q10	100 mg	**	465 mg
L-Carnitine	200 mg	**	929 mg
Royal jelly	500 mg	**	2323 mg
Selenium	55 µg	100	256 µg
Vitamin C	200 mg	250	929 mg
Vitamin E (alpha-TE)	33.5 mg (50 I.U.)	279	156 mg

* NRV = Nutrient reference value for the daily intake according to VO (EU) No. 1169/2011

** No reference value has yet been established
